Returns Instructions & Information

- Please detach, fix the address to the outside, over your address and include this half inside the box.
- Please pay the correct postage, note postage is non-refundable.
- We recommend that you select a tracked or sign for service as we are unable to refund items lost in the mail.
- We will contact you again about your return once we have received the item and this slip.

We are sorry that the product doesn't meet your needs, please tell us why below.
